

**Digital Devices and Internet Rules  
Acceptable Use Policy**

**I understand that as I use digital devices and the Internet under the direction of a teacher, I will follow these rules:**

- I will use digital devices and the Internet in an appropriate and safe way. I may use the Internet for finding information and/or to communicate with students, only when given instruction to do so.
- I will not send information that does not belong to me or send inappropriate material over the Internet.
- I will not damage or destroy digital devices or the work of another student or interfere with another student's digital device.
- I will be polite and follow all procedures.
- I will always use appropriate conduct that is pleasing to the Lord.
- I will respect my privacy and not give my home address, phone number, names or addresses of family members, or the addresses or phone numbers of other students.
- The Teacher will set the procedures for using digital devices and the Internet and I agree to follow them.

My son/daughter and I have read these rules and discussed the content. He/she agrees to follow these rules whenever using a digital device or the Internet at school.
