# Drama *Camp*

**July 13-31, 1:30-3:00pm**

Join us for Drama Camp! We'll spend three weeks learning the ins and outs of theater and bring everything together with a performance on Friday, July 31<sup>st</sup>. Students entering 4<sup>th</sup>-8<sup>th</sup> Grades are welcome to join the fun as we learn basics of oration and performance. 7<sup>th</sup> & 8<sup>th</sup> Grade students may also apply to participate as the crew to help with sets, props, lights, and sound.

WE WILL BE PERFORMING A PLAY CALLED

## **“Fairy Tale Courtroom”**

THAT HAS A FUN AUDIENCE PARTICIPATION COMPONENT.

**Cost: \$170 per student for the 3 weeks**

Students must be present for all rehearsals and the final performance. Students will be sent an audition script prior to the start of camp.

# San Gabriel Christian School

## **Objective Statement**

San Gabriel Christian School exists to extend the ministry of San Gabriel Community Church into the community by offering the highest quality education in an environment that encourages the development of committed followers of Jesus Christ.

---

## **San Gabriel Community Church Mission Statement**

San Gabriel Community Church exists to make known the glory of God to all peoples through the gospel of Jesus Christ in the power of the Holy Spirit.

---

## **Summer Program**

San Gabriel Christian School will be offering nine weeks of summer programming for students entering Kindergarten through eighth grade. Students will have the opportunity to review academic skills and participate in enrichment classes. Students may attend half or full days from June 8 through August 7 (no school on July 3) and can choose which weeks to attend.

# Summer Program Information

## 1 Hours

The San Gabriel Christian School Summer Program operates from **7:00 AM to 6:00 PM**. Students have the option to enroll for either half-day or full-day sessions.

### Half-Day Sessions

7:00 AM to 12:00 PM OR 12:00 PM to 6:00 PM

**Morning Session Pick-Up:** Students must be picked up no later than **12:15 PM**.

**Afternoon Daycamp Pick-Up:** Students can be picked between 12:00 PM and 6:00 PM.

### Full-Day Sessions

Students attend morning sessions and the afternoon program.

**Pick-Up:** Students can be picked between **12:00 PM and 6:00 PM**.

**Late Pick-Up Fee:** A charge of **\$3 per minute** will apply for students picked up **after 6:00 PM**.

## 2 Drop Off & Pick Up

Prior to attending the summer program you will receive a video detailing how to drop off and pick up your child.

## 3 Afternoon Daycamp

Students attending afternoon daycamp will be placed in grade level groups.

## 4 Snacks & Lunches

Students may bring their own snacks and lunch for break time. Hot lunch is available and must be ordered the week prior to attending camp. Lunches may not be ordered on a daily basis. Please see the attached menu.

## 5 Dress

Free dress day standards apply. The goal of one's wardrobe is to be clean, neat, modest, and God-honoring. For safety on the playground, students must wear closed-toed shoes, such as sneakers.

## 6 Summer Reading

The school library will be open on Thursdays from 10:10am to 3:00pm, for all students enrolled in the summer school program. This allows for students to check out and return books, as well as take Accelerated Reader quizzes. The last day for library checkout is Friday, July 31.

All books must be returned by August 7. Lost and non-returned books will be charged to your account on August 10.

No refunds will be given for books returned after August 10.

## 7 Kindergarten Students

Students entering Kindergarten will have a scheduled rest period in the afternoon. Resting mats and sheets will be provided for each student. Children may bring a small blanket labeled with their name for rest time. Students need to bring a labeled change of clothing in a plastic bag.

## 8 First Aid/Illness

Medications such as Epi-Pens must be stored in the Health Office. Children that become ill during the day will be in the Health Office until a parent can pick them up.

Your child should be free from obvious symptoms of illness such as a cough and running nose in order to attend school.

Your child must be fever-free for 24 hours before returning to school.

# Summer Program Registration

Registration for the San Gabriel Christian School Summer Program officially opens on March 24, 2026. Registration will be online.

## Online Registration will allow you to:

- Register for classes
- Indicate full or half days
- Purchase lunches
- Enter medical and emergency contact information
- Receive class schedules and confirmations

In addition, the online enrollment system will allow payments made by debit or credit cards. Payment plans are available and may be viewed online.

## Fee Schedule

All registration must be done online at [www.sangabrielchristian.org/summerprogram](http://www.sangabrielchristian.org/summerprogram)

**NO REGISTRATION FEE**

Registration opens on March 24, 2026

<b>Morning Classes</b>	\$270- Session 1 & Session 2 Classes \$216- Session 1 & Session 2 Classes the week of June 29-July 2
<b>Afternoon Daycamp Add-On</b>	\$175 per week if enrolled in morning classes \$140 the week of June 29-July 2 (no school July 3)
<b>Afternoon Daycamp Only</b>	\$270 per week if attending afternoons only \$216 the week of June 29-July 2 (no school July 3)

### Lunch

\$45 per week- All orders must be placed and paid for by the Thursday of the week prior to attending classes.  
\$36 the week of June 29- July 2 (No school on July 3)

### Supply Fee

Certain morning classes require an additional supply fee due to the nature of the class.

### CodeRev Fee

All CodeRev classes come with an additional fee of \$50 per class. This fee covers access to their state-of-the-art programming, equipment, and expert instructors.

### Registration

A deposit of \$150 per week will be required at the time of registration. The deposit fee is non-refundable and non-transferable (**fee may not be transferred to another week**).

# Daily Schedule Overview

Time	Activity
<b>7:00 - 8:20 AM</b>	Check-In & Before Class Playground Supervision
<b>8:20 AM</b>	Morning Assembly (Attendance Required)
<b>8:40 AM</b>	1st Session Classes
<b>10:10 - 10:30 AM</b>	Snack Time/Recess
<b>10:30 AM</b>	2nd Session Classes
<b>12:00 PM</b>	Morning Session Half Day Dismissal
<b>12:00 - 1:00 PM</b>	Afternoon Daycamp Lunch
<b>1:00 - 6:00 PM</b>	Afternoon Daycamp Students may be picked up anytime in the afternoon

# Policies & Cancellation Insurance

## ✓ Campus Sick Policy

Students should be free from obvious symptoms of illness such as a cough, fever, or runny nose in order to be on campus.

## ✓ Campus Fever Policy

Students must be fever-free for 24 hours (without fever-reducing medications) before returning to campus. This policy applies regardless of a doctor's clearance.

## ✓ Campus Electronics Policy

Students are not allowed to bring electronic devices, except for those being used as part of a class with the instructor's permission.

Students must obtain permission from both the office and their parents to bring a cell phone or smartwatch to school. These devices should be kept stored away while on campus, including break times.

Students are not allowed to bring toys.

San Gabriel Christian School is not responsible for lost or stolen items.

## ✓ Cancellation Policy

All fees and tuition are non-refundable and non-transferable, with one exception: If a student cannot attend because of an extended illness or accident (3 consecutive days or more), the program will share the total loss in tuition with the parents by assuming one-half of it in the form of a credit on the account, or refund, at the discretion of the Summer Program Administrator.

Proof of illness by written statement of a licensed physician is required for any type of credit offered by the program.

SGCS reserves the right to dismiss a student whose conduct, behavior or influence is unsatisfactory, or determined by the Summer Program Administrator, not in the best interest of the program. There will be no refunds for this type of cancellation.

## ✓ Optional Cancellation Insurance Available

This year we are offering an optional cancellation insurance plan called ACTIVE Refund during checkout. The cost of this plan is 20% of your total purchase. ACTIVE Refund allows you to request a full refund for any reason should you decide you no longer attend a week of camp this summer. There is no restriction in regard to reasons for the cancellation. When you purchase ACTIVE Refund, you will be provided the necessary claim information in your confirmation email.

This is an optional purchase and is not required. This plan must be added during checkout if desired. This plan cannot be added once checkout is complete. This plan is a final-sale purchase and is non-refundable. For additional information, please visit: <https://refund.active.com/terms-andconditions/termsandconditions-us>

# Week 1 Classes

June 8-12

**CLASS 1** 8:20AM-10:10AM

## Kinder Kids 100

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Art: Mini Piñata 104

*Grades 3-4*

Supply Fee  
\$20

Create a Mini-Piñata using colored tissue paper flowers over a cardboard animal. Use it as a decoration or fill it with candy for a traditional birthday party activity.

## Fractured Fairytales 101

*Grades 1-2*

Students will read versions of Little Red Riding Hood, Cinderella, and the Three Little Pigs, then create their own "fractured" fairy tale. They will explore different character perspectives and review story writing elements, fostering creativity in their writing.

## Figurative Language 105

*Grades 3-5*

Expand your writing by exploring idioms, such as "it's raining cats and dogs," and similes, like "he runs like a cheetah."

## Engineering 106

*Grades 5-8*

Students will engage in a week of mini-lessons focused on structural, mechanical, civil, and environmental engineering, culminating in a team competition on Friday to apply their skills.

## Intro to Drawing & Sketching 102

*Grades 1-2*

Supply Fee  
\$20

Students learn to draw by closely observing real objects and nature, building skills through simple daily activities and ending the week with a drawing that celebrates looking carefully rather than being perfect.

## Whimsical Writing 107

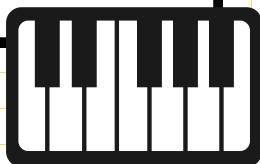

*Grades 6-8*

Hone your creative writing skills by crafting a whimsical story with detailed characters, settings, and scenes.

## Piano Explorers 103

*Grades 3-4*

A fun piano introduction where students learn notes, rhythms, and simple songs through games and creative activities.

# Week 1 Classes

June 8-12

**CLASS 2** 10:30AM-12:00PM

## Kinder Kids 120

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Fractured Fairytales 124

*Grades 3-4*

Students will read versions of Little Red Riding Hood, Cinderella, and the Three Little Pigs, then create their own fractured fairy tale. They will explore different character perspectives and review story writing elements, fostering creativity in their writing.

## Reading Adventures 121

*Grades 1-2*

Students will act as story detectives, searching for clues about character and setting while exploring story sequencing, vocabulary, context clues, fluency, and expression. The week will end with a Reader's Theater celebration.

## Intro to Drawing & Sketching 125

*Grades 3-5*

Supply Fee  
\$20

Students learn to draw by closely observing real objects and nature, building skills through simple daily activities and ending the week with a drawing that celebrates looking carefully rather than being perfect.

## Piano Explorers 122

*Grades 1-2*

A fun piano introduction where students learn notes, rhythms, and simple songs through games and creative activities.

## Figurative Language 126

*Grades 5-6*

Expand your writing while exploring idioms and use of words. We will discuss things like idioms ex. "it's raining cats and dogs" and similes ex. "he runs like a cheeta".

## Scribe Tribe 123

*Grades 2-3*

Enhance your creative writing skills! Students will learn to craft a fantasy story by detailing characters, settings, and scenes.

## Build a Mini Rose Parade Float 127

*Grades 5-8*

Supply Fee  
\$20

Create a miniature parade float inspired by the Tournament of Roses, using foam core or cardboard and decorating it with tissue paper flowers.

# Week 2 Classes

June 15-19

**CLASS 1** 8:20AM-10:10AM

## **Kinder Kids 200** *Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## **Playground & Park Games 201** *Grades 1-2*

Put on your sneakers! We'll learn playground and park game rules and practice playing. Let's have fun!

## **Frog & Toad Kind of Friendship 202** *Grades 1-2*

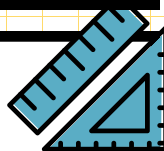

Frog and Toad symbolize "real friendship" through loyalty, compassion, and encouragement, exemplifying forgiveness and serve as a model for building friendships.

## **Amelia Bedelia Goes to Summer School 203** *Grades 2-3*

Students will read Amelia Bedelia stories to explore idioms and the difference between literal and figurative language, culminating in short skits using a Reader's Theater format.

## **Dynamic Math 204** *Grades 3-4*

This class reinforces math concepts through activities with playing cards and dice, which students will take home.

## **Adventures in Coding 205**

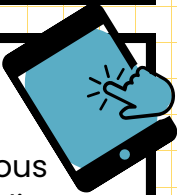

*Grades 3-5*

CodeRev Fee  
\$50

Students learn coding fundamentals by creating games and animations using block-based coding platforms like Pencilcode, Scratch, and Kodu, requiring no typing experience for accessibility.

## **iPad Digital Art 206** *Grades 4-5*

Students will use iPads to create various digital art projects and stickers, including animated GIFs with the Procreate App. The class can be repeated. Requirements include an iPad, purchasing and downloading the Procreate App for \$12.99 (not Procreate Pocket or Dreams). A stylus pen is optional.

## **Foundations of Volleyball 207** *Grades 6-8*

Students will learn passing, serving, and teamwork through fun games and drills designed for beginners, aiming to introduce sports and promote enjoyment while trying something new!

## **Art: Trompe-l'oeil 208** *Grades 6-8*

Supply Fee  
\$20

Trompe-l'oeil in French means "fool the eye". Students will develop their sculpture skills by creating a realistic trompe-l'oeil representation of an everyday object.

# Week 2 Classes

June 15-19

**CLASS 2** 10:30AM-12:00PM

## Kinder Kids 220

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## All About Owls 224

*Grades 3-4*

Explore the intriguing world of owls in this interactive class, where you'll learn about various species, their diets, and participate in reading, art, and owl pellet dissections!

## Amelia Bedelia Goes to Summer School 221

*Grades 1-2*

This week, we'll read Amelia Bedelia stories to explore idioms and the difference between literal and figurative language, culminating in short skits using a Reader's Theater format.

## Art: Trompe-l'oeil 225

*Grades 3-4*

Supply Fee  
\$20

Trompe-l'oeil in French means "fool the eye". Students will develop their sculpture skills by creating a realistic trompe-l'oeil representation of an everyday object.

## Foundations of Volleyball 226

*Grades 4-5*

Students will learn passing, serving, and teamwork through fun games and drills for beginners, aiming to introduce sports and enjoy trying something new!

## Adventures in Coding 222

*Grades 1-2*

CodeRev Fee  
\$50

Students learn coding fundamentals by creating games and animations using block-based coding platforms like Pencilcode, Scratch, and Kodu, requiring no typing experience for accessibility.

## Film Shorts: Story Elements 227

*Grades 5-8*

Let's improve comprehension skills through short films and discussions on themes, inferences, plot, predictions, conflict resolution, and cause and effect!

## Playground & Park Games 223

*Grades 2-3*

Put on your sneakers! We'll learn playground and park game. Let's have fun!

## iPad Digital Art 228

*Grades 6-8*

Students will use iPads to create various digital art projects and stickers, including animated GIFs with the Procreate App. The class can be repeated. Requirements include an iPad, purchasing and downloading the Procreate App for \$12.99 (not Procreate Pocket or Dreams). A stylus pen is optional.

# Week 3 Classes

June 22-26

**CLASS 1 8:20AM-10:10AM**

## Kinder Kids 300

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## REV Robots 305

*Grades 3-5*

CodeRev Fee  
\$50

Supply Fee  
\$20

Ideal for kids who love building, this course focuses on engineering and robotics. Students will wire, build, and code their custom Creator Bot kits. Supply Fee: Discounted Creator Bot \$20 purchase with access to 140 hours of curriculum.

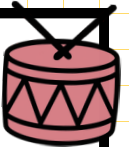

## Reading with Pizza and Taco 301

*Grades 1-2*

Pizza & Taco, best friends in a fun early-reader series, go on adventures that teach them about competition and acceptance. These stories entertain while helping kids practice reading. Students will create puppets and enjoy treats.

## Percussion Ensemble 306

*Grades 4-5*

Kids will learn to make music using drums and percussion instruments while exploring rhythm, teamwork, and lots of fun sounds!

## Math Explorers 302

*Grades 1-2*

Explore math through number ninjas, addition and subtraction adventures, measurement and data detectives, shape and fraction builders, and a math marketplace.

## Cubism Painting 307

*Grades 5-8*

Supply Fee  
\$20

Join in embracing Cubism with fractured lines, broken plains, and tessellated patterns. We'll explore the genre's meaning and the intentions of Picasso and Braque, then create our own Cubist artwork.

## Bubble Science 303

*Grades 3-4*

Students will investigate bubble solutions and bubble wands through the scientific method, learning about bubble science, rainbow colors, and effective bubble solutions.

## Intro to Storytelling & Writing for Screens 308

*Grades 6-8*

Students learn the fundamentals of screenplay writing. Screenplay storytelling includes learning to write loglines to hook readers, the 6-sentence Pixar structure, act framework, and "beats" that move the story forward. All building toward outlining a short film, animation, or game story concept.

## More Gifts from the Kitchen 304

*Grades 3-4*

Supply Fee  
\$20

This class teaches simple no-bake recipes for gifts. From the kitchen, students will make two items daily: one for eating and one for giving, along with creative wrapping ideas.

# Week 3 Classes

June 22-26

**CLASS 2 10:30AM-12:00PM**

## Kinder Kids 320

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Cubism Painting 325

*Grades 3-4*

Supply Fee  
\$20

Join in embracing Cubism with fractured lines, broken plains, and tessellated patterns. We'll explore the genre's meaning and the intentions of Picasso and Braque, then create our own Cubist artwork.

## Bubble Science 321

*Grades 1-2*

Students will investigate bubble solutions and bubble wands through the scientific method, learning about bubble science, rainbow colors, and effective bubble solutions.

## More Gifts from the Kitchen 326

*Grades 5-8*

Supply Fee  
\$20

This class teaches simple no-bake recipes for gifts. From the kitchen, students will create two items daily: one for eating and one for giving, along with creative wrapping ideas.

## Read a Chapter Book & Draw It 322

*Grades 1-2*

Students read a chapter book and make daily drawings inspired by characters, settings, and favorite moments. This approach combines reading comprehension with visual storytelling producing a multi-page illustrated story.

## APP Creators 327

*Grades 5-8*

CodeRev Fee  
\$50

In this engaging class, students develop app creation skills by planning, designing, and building their own apps in a fun, easy-to-code format. These apps can run on the web and be published on mobile devices.

## Math Explorers 323

*Grades 2-3*

Explore math through number ninjas, addition and subtraction adventures, measurement and data detectives, shape and fraction builders, and a math marketplace.

## Percussion Ensemble 328

*Grades 6-8*

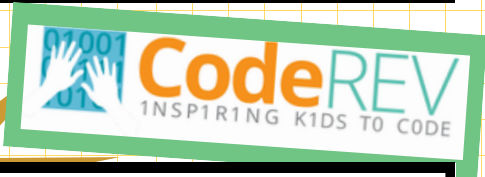

Kids will learn to make music using drums and percussion instruments while exploring rhythm, teamwork, and lots of fun sounds!

## Cricket in Times Square 324

*Grades 3-4*

A classic, heartwarming tale where we explore Chester Cricket's early adventures with his loyal companions, followed by engaging comprehension activities.

# Week 4 Classes

June 29–July 2

**CLASS 1** 8:20AM-10:10AM

## **Kinder Kids 400** *Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## **Intro to Watercolor Painting 401** *Grades 1-2*

Supply Fee  
\$20

Students learn watercolor painting, focusing on color mixing, brush techniques, layering, texture, and storytelling through color.

## **Science: Biomes of the World 402** *Grades 1-2*

Biomes are large natural areas with distinct climates, plants, and animals. Students will take a virtual tour to explore tundras, deserts, savannas, and forests, studying their wildlife through fun crafts and games.

## **Kitchen Skills Bootcamp 403** *Grades 3-4*

Supply Fee  
\$20

Gain comfort and confidence in the kitchen through hands-on practice. Students learn essential skills like measuring, mixing techniques, knife safety, and recipe reading.

## **Multiplication, Symmetry, Patterns, & Escher 404** *Grades 3-4*

Students will learn multiplication strategies like skip counting and patterns in math through games, quizzes, and creating arrays and Escher tessellation art pieces.

## **Getting Writing Right 405** *Grades 3-5*

Students will practice a different writing style daily—expository, narrative, persuasive, and descriptive. They will share their writing in class and create a portfolio.

## **Game On! 406** *Grades 5-6*

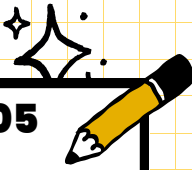

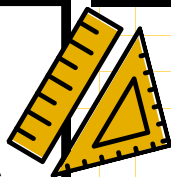

Students will engage in a variety of exciting games and challenges requiring a wide range of skills such as teamwork, concentration, creativity, accountability, and problem solving.

## **Reading Lab: Exploring Genres 407** *Grades 6-8*

The class will include genre mini-lessons, interactive read-alouds, guided analysis, guided reading, application activities, and independent reading and reflection.

## **iPad Digital Art 408** *Grades 6-8*

Students will use iPads to create various digital art projects and stickers, including animated GIFs with the Procreate App. Requirements include an iPad, purchasing and downloading the Procreate App for \$12.99 (not Procreate Pocket or Dreams). A stylus pen is optional.

# Week 4 Classes

June 29– July 2

**CLASS 2** 10:30AM-12:00PM

## Kinder Kids 420

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## iPad Digital Art 425

*Grades 4–5*

Students will use iPads to create various digital art projects and stickers, including animated GIFs with the Procreate App. Requirements include an iPad, purchasing and downloading the Procreate App for \$12.99 (not Procreate Pocket or Dreams). A stylus pen is optional.

## Read with Me 421

*Grades 1–2*

The class will focus on phonics and word work, interactive reading, guided reading, and genre activities. Improve your reading!!

## Multiplication, Symmetry, Patterns, & Escher 426

*Grades 5–6*

Students will learn multiplication strategies like skip counting and patterns in math through games, quizzes, and creating arrays and Escher tessellation art pieces.

## Animals of the Bible 422

*Grades 1–2*

Meet the Bible's famous animals: Daniel and the lions, and the big fish that swallowed Jonah! Donkeys and sheep also highlight God's care for every creature. We will explore God's glorious creation with crafts, songs, and games.

## Kitchen Skills Bootcamp 427

*Grades 5–8*

Supply Fee  
\$20

Gain comfort and confidence in the kitchen through hands-on practice. Students learn essential skills like measuring, mixing techniques, knife safety, and recipe reading.

## Intro to Watercolor Painting 423

*Grades 3–4*

Supply Fee  
\$20

Students learn watercolor painting, focusing on color mixing, brush techniques, layering, texture, and storytelling through color.

## Getting Writing Right 428

*Grades 6–8*

Students will practice a different writing style daily—expository, narrative, persuasive, and descriptive. They will share their writing in class and create a portfolio.

## Game On! 424

*Grades 3–4*

Students will engage in a variety of exciting games and challenges requiring a wide range of skills such as teamwork, concentration, creativity, accountability, and problem solving.

# Week 5 Classes

July 6-10

**CLASS 1**

**8:20AM-10:10AM**

## Kinder Kids 500

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Shadow Art & Math 501

*Grades 1 & 2*

Explore shadows in art and math outdoors by analyzing their size changes throughout the day while practicing addition, subtraction, and multiplication.

## Basketball Basics 502

*Grades 1 & 2*

This class is an ideal introduction to the game for beginners, emphasizing basic fundamentals in a fun and supportive setting.

## Exploring Space 503

*Grades 3-4*

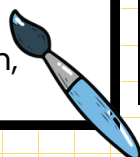

Learn about our beautiful universe, the significance of the sun, stars, planets, and how everything is created in perfect balance.

## American History Through Art 504

*Grades 3-4*

Supply Fee  
\$20

Explore American history using paintings, symbols, and stories. Daily lessons involve visuals and discussions on historical moments, enabling students to create artwork inspired by themes like freedom, community, and innovation.

## Minecraft Level Design & Engineering 505

*Grades 3-5*

CodeRev Fee  
\$50

Students will explore level and game design while learning to engineer in Minecraft using Red Stone, while also learning basic coding commands. This class combines excitement with education, allowing students to unleash their creativity in a STEM format perfect for Minecraft enthusiasts.

## Creative Sewing 506

*Grades 4-5*

Supply Fee  
\$20

Master the art of stitching, by hand and machine, and let your creative sparks fly!

## Science: Gardening from Seed to Steward 507

*Grades 6-8*

Students will engage in gardening by planning, planting, and caring for a garden. They will learn about soil health, seed growth, pollinators, and eco-friendly design through hands-on activities, building their confidence to grow their own plants.

## Uke Can Do It!- Ukelele Class 508

*Grades 6-8*

An introduction to ukulele where students explore rhythm, chords, and simple songs while building confidence and having fun making music.

# Week 5 Classes

July 6-10

**CLASS 2** 10:30AM-12:00PM

## Kinder Kids 520

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Basketball Basics 524

*Grades 3-4*

This class is an ideal introduction to the game for beginners, emphasizing basic fundamentals in a fun and supportive setting.

## Uke Can Do It!- Ukelele Class 525

*Grades 3-5*

An introduction to ukulele where students explore rhythm, chords, and simple songs while building confidence and having fun making music.

## Minecraft Level Design & Engineering 521

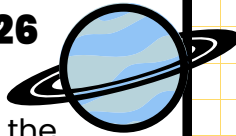

*Grades 1-2*

CodeRev Fee  
\$50

Students will explore level and game design while learning to engineer in Minecraft using Red Stone, while also learning basic coding commands. This class combines excitement with education, allowing students to unleash their creativity in a STEM format perfect for Minecraft enthusiasts.

## Exploring Space 526

*Grades 5-6*

Learn about our beautiful universe, the significance of the sun, stars, planets, and how everything is created in perfect balance.

## Food Art & Plating 527

*Grades 6-8*

Supply Fee  
\$20

This class focuses on professional-style plating, learning how chefs use balance, contrast, and composition. Students practice intentional design and refine presentation skills while creating visually striking dishes.

## American History Through Art 522

*Grades 1-2*

Supply Fee  
\$20

Explore American history using paintings, symbols, and stories. Daily lessons involve visuals and discussions on historical moments enabling students to create artwork inspired by themes like freedom, community, and innovation.

## Creative Sewing 528

*Grades 6-8*

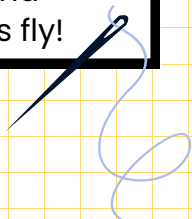

Supply Fee  
\$20

Master the art of stitching, by hand and machine, and let your creative sparks fly!

## Shadow Art & Math 523

*Grades 3-4*

Explore shadows in art and math outdoors by analyzing their size changes throughout the day while practicing addition, subtraction, and multiplication.

# Week 6 Classes

July 13-17

**CLASS 1**

**8:20AM-10:10AM**

## Kinder Kids 600

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Game Design 605

*Grades 3-5*

CodeRev Fee  
\$50

Enter the realm of Game Design, where students develop multi-level games while learning programming concepts, such as local and global variables and object-oriented programming, and animate characters for visually appealing designs.

## Puppet Love: Storytime with Maximilian! 601

*Grades 1-2*

Join my pup(pet), Maximilian, and me for circle time stories followed by games and artwork. We enjoy sharing stories like "The Giving Tree," "Extra Yarn," and "The Good Egg"!

## Gingerbread in July 602

*Grades 1-2*

Supply Fee  
\$20

We'll create gingerbread-themed items, including ornaments, gingerbread playdough, and edible houses, for a fun Christmas celebration in July!

## Forensics: Whodunit? 606

*Grades 5-6*

Help solve the mysteries of whodunit? Through looking at fingerprints, collected evidence, and fun labs too!

## Elements of Art & Illustrations 607

*Grades 6-8*

Students will explore color, form, line, shape, space, and texture by looking at book illustrations by various artists and creating illustrations similar to the artist's style.

## Paper Folding 603

*Grades 3-4*

Learn the art of creative paper folding. Using folding techniques, we can create beautiful cards and other creations to give to friends and family.

## Pickleball is Here to Stay 608

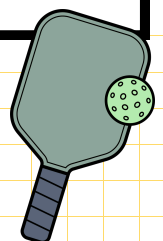

*Grades 6-8*

Pickleball is becoming popular among all ages in America. Join us to learn the game, including scoring and strategy, in a fun, air-conditioned gym with provided equipment!

## Puzzles & Patterns in Math 604

*Grades 3-4*

Math extends beyond numbers; explore beautiful patterns and models with your math skills. Create intricate line designs using 3D objects and enjoy solving puzzles.

# Week 6 Classes

July 13-17

**CLASS 2** 10:30AM-12:00PM

## Kinder Kids 620

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Paper Folding 625

*Grades 5-6*

Learn the art of creative paper folding. Using folding techniques, we can create beautiful cards and other creations to give to friends and family.

## All About Owls 621

*Grades 1-2*

Explore the intriguing world of owls in this interactive class, where you'll learn about various species, their diets, and participate in reading, art, and owl pellet dissections!

## 3-D Modeling & Animation 626

*Grades 5-8*

CodeRev Fee  
\$50

Blockbuster hits like Lord of the Rings, and recent Star Wars utilize 3D animation with Maya. This class allows children to explore their creativity by building and animating 3D models of their imagination.

## This is America Charlie Brown 622

*Grades 1-2*

This class will reinforce reading comprehension skills while exploring snapshots of American history and alongside the Peanuts gang.

## Gingerbread in July 627

*Grades 6-8*

Supply Fee  
\$20

We'll create gingerbread-themed items, including ornaments, gingerbread playdough, and edible houses, for a fun Christmas celebration in July!

## Forensics: Whodunit? 623

*Grades 3-4*

Help solve the mysteries of whodunit? Through looking at fingerprints, collected evidence, and fun labs too!

## Pickleball is Here to Stay 624

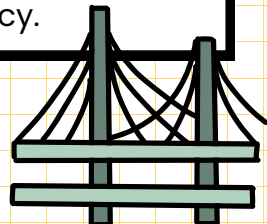

*Grades 3-5*

Pickleball is becoming popular among all ages in America. Join us to learn the game, including scoring and strategy, in a fun, air-conditioned gym with provided equipment!

## Bridge Building 628

*Grades 6-8*

We will explore various bridge types—beam, truss, arch, suspension, and others. We will study famous bridges globally and then design and build our own, applying geometry and physics to test their efficiency.

# Week 7 Classes

July 20-24

**CLASS 1** 8:20AM-10:10AM

## Kinder Kids 700

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Minecraft E-Sports 705

*Grades 3-5*

CodeRev Fee  
\$50

Victory in this E-sports course comes from teamwork and communication. Students evolve from solo players to elite teammates. Master game mechanics and collaboration through activities like "Build Battles" and "Bed Wars," emphasizing resource management and team roles such as Defender, Scout, and Lead Architect.

## Sing! Music and the Voice 701

*Grades 1-2*

Students will learn vocal techniques, practice group singing, and enhance performance skills through music activities and games.

## Crochet 706

*Grades 4-5*

Supply Fee  
\$20

Learn to use single and double crochets, along with magic rings, to create fun projects while practicing basic stitches together.

## Letter Creatures: Print & Cursive 702

*Grades 1-2*

Create fun creatures and cards with alphabet letters, enhancing printing skills and learning cursive for card lettering and drawings.

## Thrive & Survive 707

*Grades 6-8*

Enhance your knowledge of essential life skills for everyday living, including safety, travel, budgeting, and social skills.

## Cupcake Decorating 703

*Grades 3-4*

Supply Fee  
\$20

Bakers will learn cupcake decorating, buttercream making, food dye use, and piping techniques, culminating in a cupcake pull-apart design project to celebrate their skills.

## Intro to Watercolor Painting 708

*Grades 6-8*

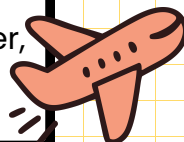

Supply Fee  
\$20

Students learn watercolor painting, focusing on color mixing, brush techniques, layering, texture, and storytelling through color.

## Au revoir! We're Off to France 704

*Grades 3-4*

Explore France, famous for lavender fields, the French Riviera, Impressionist art, the Tour de France, and croissants. Create an Eiffel Tower, learn from Monet, ride the Seine River, and enjoy cheese on a baguette!

# Week 7 Classes

July 20-24

**CLASS 2** 10:30AM-12:00PM

## Kinder Kids 720

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Intro to Watercolor Painting 725

*Grades 3-5*

Supply Fee  
\$20

Students learn watercolor painting, focusing on color mixing, brush techniques, layering, texture, and storytelling through color.

## Cupcake Decorating 721

*Grades 1-2*

Supply Fee  
\$20

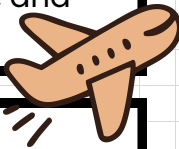

Bakers will learn cupcake decorating, buttercream making, food dye use, and piping techniques, culminating in a cupcake pull-apart design project to celebrate their skills.

## Au revoir! We're Off to France 726

*Grades 5-6*

Explore France, famous for lavender fields, the French Riviera, Impressionist art, the Tour de France, and croissants. Create an Eiffel Tower, learn from Monet, ride the Seine River, and enjoy cheese on a baguette!

## Monster Math 722

*Grades 1-2*

Our cute and funny monsters will help you practice addition and subtraction with regrouping, counting, odds and evens, money monsters and clock monsters.

## Crochet 727

*Grades 6-8*

Supply Fee  
\$20

Learn to use single and double crochets, along with magic rings, to create fun projects while practicing basic stitches together.

## Sing! Music and the Voice 723

*Grades 3-4*

Students will learn vocal techniques, practice group singing, and enhance performance skills through music activities and games.

## Rev Engineering 728

*Grades 6-8*

CodeRev Fee  
\$50

Supply Fee  
\$20

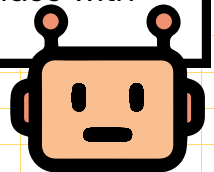

Explore Arduino circuits, robotics, and coding at this hands-on camp for future engineers! Program Arduinos and robots to control motors, lights, and sensors. Supply Fee: Discounted Creator Bot \$20 purchase with access to full curriculum.

## Letter Creatures: Print & Cursive 724

*Grades 3-4*

Create fun creatures and cards with alphabet letters, enhancing printing skills and learning cursive for card lettering and drawings.

# Week 8 Classes

July 27-31

**CLASS 1 8:20AM-10:10AM**

## Kinder Kids 800

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Intro to Acrylic Painting 804

*Grades 3-4*

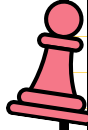

Supply Fee  
\$20

Students learn acrylic painting, focusing on color mixing, brush techniques, layering, texture, and storytelling. By Friday, they complete a vibrant acrylic artwork.

## Design Your Own Gameboard 801

*Grades 1-2*

Create a gameboard inspired by your favorite story to play! We will use new and recyclable materials for this project. You can bring your own book or choose one from our collection.

## Basketball: Skill Builders 805

*Grades 4-5*

This class emphasizes essential skills such as dribbling, shooting, passing, and footwork. Participants will improve through drills, games, and coaching while enjoying a fun and supportive learning environment.

## Kings of the Bible 802

*Grades 1-2*

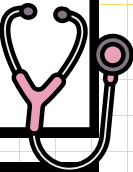

Explore the stories of King David and Solomon from the Bible, focusing on their wisdom and how God used them and Jesus as the King of Kings; along with engaging crafts, songs, and games.

## Health Science 806

*Grades 5-6*

Learn about health science and care for patients with different medical needs. Explore cells, blood types and sutures. The class offered hands on activities to test your knowledge.

## Creative Sewing 807

*Grades 6-8*

Supply Fee  
\$20

Master the art of stitching, by hand and machine, and let your creative sparks fly!

## Cake Decorating 803

*Grades 3-4*

Supply Fee  
\$20

Come learn cake decorating basics through hands-on practice, focusing on frosting, piping, leveling, and design planning. It emphasizes kitchen safety, patience, and creativity and concludes with a decorated cake and a celebration.

## Creative Macrame 808

*Grades 6-8*

Supply Fee  
\$20

This class teaches basic knotting techniques to create wall hangings, belts, or plant holders.

# Week 8 Classes

July 27-31

**CLASS 2 10:30AM-12:00PM**

## Kinder Kids 820

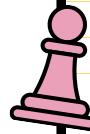

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Design Your Own Gameboard 824

*Grades 3-4*

Create a gameboard inspired by your favorite story to play! We will use new and recyclable materials for this project. You can bring your own book or choose one from our collection.

## Intro to Acrylic Painting 821

*Grades 1-2*

Supply Fee  
\$20

Students learn acrylic painting, focusing on color mixing, brush techniques, layering, texture, and storytelling. By Friday, they complete a vibrant acrylic artwork.

## Creative Sewing 825

*Grades 4-5*

Supply Fee  
\$20

Master the art of stitching, by hand and machine, and let your creative sparks fly!

## Cake Decorating 826

*Grades 5-8*

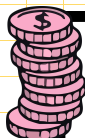

Supply Fee  
\$20

Come learn cake decorating basics through hands-on practice, focusing on frosting, piping, leveling, and design planning. It emphasizes kitchen safety, patience, and creativity and concludes with a decorated cake and a celebration.

## Math: Money, Money, Money 822

*Grades 1-2*

This class features hands-on money activities and games, teaching students to differentiate bill and coin denominations, as well as how to write, count, spend, save, and donate money.

## Yarn & String Art 823

*Grades 3-4*

Explore symmetry and design by creating pictures and designs with string, forming abstract geometric patterns or representational designs.

## Health Science 827

*Grades 6-8*

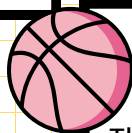

Learn about health science and care for patients with different medical needs. Explore cells, blood types and sutures. The class offers hands on activities to test your knowledge.

## Basketball: Skill Builders 828

*Grades 6-8*

This class emphasizes essential skills such as dribbling, shooting, passing, and footwork. Participants will improve through drills, games, and coaching while enjoying a fun and supportive learning environment.

# Week 9 Classes

August 3-7

**CLASS 1** 8:20AM-10:10AM

## Kinder Kids 900

*Incoming Kindergarten*

This class is designed for students entering Kindergarten in the fall, focusing on reading readiness, literature, math games, art, hands-on science, Bible stories, music, dramatic play, and social skills. Weekly themes and activities are included.

## Who's Afraid of the Big Bad Wolf? 901

*Grades 1-2*

Discover the physical characteristics, behavior and natural habitat of wolves. Students will read, write, sing, and create wolf themed art projects.

## That's Entertainment 902

*Grades 1-2*

Supply Fee  
\$20

Students will learn entertaining skills such as puppeteering, balloon making, face painting, engaging with audiences, developing social skills, and organizing events.

## Food Sculptures 903

*Grades 3-4*

We will create mini-food sculptures using different doughs and clays, including salt dough, model magic, and polymer clays. The menu also features mini-appetizers, meals, fruits, veggies, and desserts. You will take home a delightful feast!

## Volleyball 904

*Grades 3-4*

This volleyball class is perfect for players who are ready to grow their skills. Athletes will build consistency and accuracy while learning simple game strategies in a fun way.

## Intro to Traditional Animation & Cel Painting 905

*Grades 5-8*

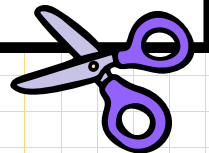

Supply Fee  
\$20

Students learn traditional cartoon-making techniques by drawing movement frame by frame. Lessons include creating flipbooks, motion exercises, and painting animation frame by frame (in cels), providing a hands-on understanding of animation basics.

## Collage Art 906

*Grades 5-8*

Students will learn collage techniques to create mixed media art, explore the work of collage artists, enhance their creativity, practice composition, and understand art elements.

# Week 9 Classes
